

THE RICHMOND SCHOOL, SKEGNESS

Year 6 Curriculum Letter – Spring 2012

Dear Parents/Carers

A happy new year to you all.

This term we will be continuing our literacy and numeracy work, building on and revising all areas in preparation for the SATS in May. Where possible work will be linked to our main themes “Water and Rivers” and “Churches”.

Our science work will begin with work involving dissolving, filtering and separating solutions. Following this we will be revising and assessing all other scientific topic areas.

In art we will be learning to use watercolours to create sea images and designing our own stained glass windows.

Our music work will involve listening to, composing and singing music linked to water.

In ICT we will be using an art program to design stained glass windows and researching rivers on the Internet.

Our SEAL themes are “Going For Goals” and “It’s Good To Be Me”.

PE is on Monday and Wednesday afternoons. It is **VERY IMPORTANT** that all pupils have tracksuit and trainers in school on these days as they will be outside learning hockey skills.

Homework will continue to be set as follows:

Monday & Wednesday: Numeracy
Tuesday & Thursday: Literacy
Friday: (some weeks) Topic based

Our presentation in on Friday 2 March 2012 at 2:40pm

Yours sincerely

Mrs C Wellsted & Miss D Leatham
