

Traffic Management Plan

Following the completion of a 'Workplace Transport Checklist' and discussion at a Health & Safety meeting the following draft plan was drawn up.

Personnel to whom the policy should be communicated:

All staff

Translink/First College

Grounds Maintenance Team

Transport contractors

Relevant Parents of SEN pupils

Refuse Collectors

Fruit Delivery

Milk Delivery

Parents of pupils attending 'Linking Up at Richmond'

Theatre Companies

- A speed limit sign is in place within the school grounds
- Parking and No Parking bays are marked.
- Vehicle movement areas to be segregated from pupil movement areas by barriers.
- A zebra crossing to be created to improve safety.
- Signs showing that there is moving/reversing traffic in specific areas.
- Pupils are always fully supervised to and from transport-school trips, sporting events etc.
- Traffic signs and markings are fully maintained.

School Lay-by

The lay-by is a one way system, with clearly marked bays and a zebra crossing. There is No Parking allowed other than for permit holders and No Double Parking at any time.
